

TATLISES BEIJERLANDSELAAN

Project code: ZL054
 Project name: Tatlisés Beijerlandse laan
 Location: Rotterdam, The Netherlands
 Gross area: 150 m²
 Period: 2014
 Status: Completed

This interior design is made for the restaurant franchise Tatlisés. For their first restaurant in the Netherlands ZeroLogic designed their signature brand style. In this design we have used combinations of strong materials and soft materials. This resulted in a unison of timber and ceramic. The chosen colour were dark pastels with Tatlisés' signature maroon red as an accent colour.

The brand style facilitated a combination of maintenance convenience and a luxurious setting in the restaurant. The wood is mainly used in the furniture and the ceiling. We have worked with light and dark gray tinted tiles and light and dark shades of wood. The neutrality of the colours in combination with the signature red has thus become part of their Dutch brand style.
