

EXTENSION DREEF 2 0 1 6

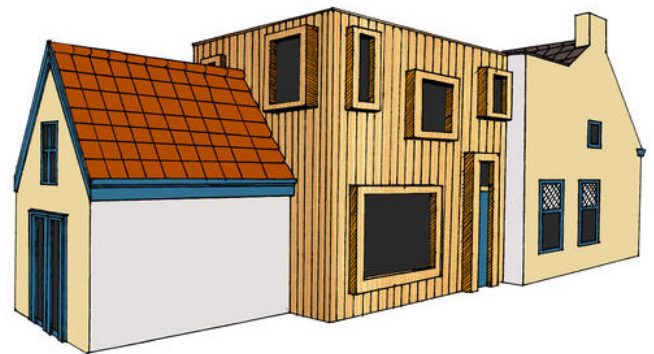

EXTENSION DREEF

Project code: ZL077
Project name: Extension Dreef
Location: Breda, The Netherlands
Gross area: 80 m²
Period: 2016
Building costs: € 50.000,-
Status: Completed

The house that is located at Dreef in Breda, The Netherlands has an extension in the middle of the house. This unique rectangular shaped form with different sizes of window frames creates a zigzag in the layout of the house. This disorientation in the exterior makes it more playful and unique in the way of reading the façade.

This form adds more character to the former architecture of the building itself. By creating bigger window frames, which increases the amount of sunlight coming into the rooms.
