Period:	2017-2019
Building costs:	€ 500.000,-
Status:	Under construction

This modern villa is currently under construction at the Aafje Andersstraat in Almere, the Netherlands. The plot is directly alongside a waterfront where a boat can be parked next to the villa. This unique villa with 3 stories has a small studio connected via the dining area to the living room on the ground floor.

The entrance hall has a high ceiling where the staircase connects with the rooms. The living room has wide garden that has a small platform next to it. The large corridor on the first floor gives a nice panoramic view over the waterfront. The big terrace on the second floor provides space for barbeque and parties in the summer.
